DIRECTOR'S NOTE

This new financial year started with the hope that everything would shift back to normal and we would be free from this pandemic. But in April, it began showing its worst colours. Covid-19 had become extremely lethal and every family had lost a loved one. Thus, NeoFusion decided to help patients requiring assistance with leads, about beds, oxygen cylinders etc, in association with Alfaaz magazine. We made over 1000 phone calls everyday and our older students also contributed extensively. Even Project Passion Hub had to be put on hold since it was risky to conduct classes.

Approximately 30 students will appear for their 10th and 12th board examinations in 2021. However, the boards we canceled, and the overall result was not too great because students with a lot of potential had also scored low due to internal marking. Our dream was to send our kids to college, but the pandemic made our lives very difficult. Many families had sick members, and there was an acute food shortage and funds. In August, we began a campaign to raise funds for college fees via social media because they were not only my students but my children. In the end, we gathered sufficient funds, and I am very grateful to everyone who helped and donated.

In July, we shifted to online educational classes again, followed by the resumption of Passion Hub digitally since offline classes were still hazardous. Consultancy firms conducted motivational workshops on financial and career counseling. We also decided to take the Kaka Hathrasi Shiksha Puraskar to an all-India level. Every year, we conduct an annual function called Jazbaa. This year, the annual event was held online, and over 300 people attended it. All the attendees and special guests thoroughly enjoyed all the performances.

The 10th board exam for 2022 was approaching, and we knew it would be offline. 11 of our students appeared for it, and we are currently awaiting results. A few of our students have also been recently employed. We are very proud of them and will always be there for any guidance or aid they need. Lastly, we want to wish our students the very best on their journeys to come.

EXECUTIVE SUMMARY

NEOFUSION CREATIVE FOUNDATION IS A NATIONALLY CERTIFIED NON-PROFIT ORGANISATION STARTED IN 2013, INCORPORATED UNDER SECTION 25A OF THE COMPANIES ACT, 1956, THAT WORKS TOWARDS THE EMPOWERMENT OF THE UNDERPRIVILEGED COMMUNITIES, ESPECIALLY ADOLESCENTS, SCHOOL DROPOUTS AND THE UNEMPLOYED YOUTH OF INDIA, EMPOWERING THEM TO LIVE THEIR DREAM OF BEING TRANSFORMED AND LEAD SUSTAINABLE LIVES BY ALIGNING THEIR PASSION AND CAREER CHOICES.

WE STRIVE TO TRANSFORM THE VULNERABLE PERIOD OF ADOLESCENCE, BY CREATING A SAFE ENVIRONMENT IN WHICH ADOLESCENTS ARE HEARD AND CELEBRATED, AND BY INVESTING IN ADOLESCENTS, WE ASPIRE TO CREATE AGENTS OF MULTI-GENERATIONAL CHANGE AND ECONOMIC IMPACT.

WE AT NEOFUSION STRONGLY BELIEVE IN CREATING A CHILD-SAFE PLACE IN ALL OUR PROGRAMS AND INTERVENTIONS. ON ACCOUNT OF THE FOUNDATION HAS FORMULATED ITS OWN CHILD SAFEGUARDING POLICY AND FOLLOWS IT KEEPING IN VIEW THE BEST INTEREST OF THE CHILDREN AND ADOLESCENTS.

WE ARE DIRECTLY CONTRIBUTING TO THE ACHIEVEMENTS OF SDG#3 – GOOD HEALTH & WELLBEING, RESULTING IN SDG#10 – REDUCED INEQUALITIES AND SDG#1 NO POVERTY, WITH THE FOUNDATION'S UNIQUE EDUCATIONAL APPROACH (SDG#4 – QUALITY EDUCATION) AT THE HELM.

THE LOCATION FOR THE BRANCH WAS CHOSEN ACCORDING TO THE EASE OF ACCESSIBILITY FOR THE AIMED POPULATION I.E. SLUM ADOLESCENTS. THE SLUMS NEAR THE GURUGRAM INSTITUTE LIKE GHASOLA, BADHSAHPUR, AND FAZILPUR HAVE OVER 5000 ADOLESCENTS LIVING IN THEM. SINCE ALL THESE SLUMS HAVE HIGH MIGRATION RATES DUE TO CONSTRUCTION JOBS, THEY ALSO HAVE HIGH RATES OF SCHOOL DROPOUTS AS A RESULT OF EXCESSIVE MIGRATION AND POVERTY SO AS TO HELP THEIR PARENTS. SO, TO MAKE SURE THESE ADOLESCENTS COULD GET THE EDUCATION THEY DESERVE AND TO REDUCE THE NUMBER OF SCHOOL DROPOUTS IN SUCH AREAS BY ENROLLING THEM INTO SCHOOLS, NEOFUSION HAS CHOSEN SUCH LOCATIONS.

WE RELY ON WORD OF MOUTH AND MEDIA ADVERTISING. WE ASK OUR VOLUNTEERS, TEACHERS, INVESTORS, ETC. TO HELP SPREAD THE NEWS OF OUR CHARITY TO BUILD OUR NETWORK. FURTHERMORE, THE PUBLICITY WE HAVE GENERATED THROUGH. MEDIA COVERAGE HAS BEEN HIGHLY BENEFICIAL AS A FORM OF FREE MARKETING. VARIOUS HIGH-PROFILE INDIAN MEDIA OUTLETS HAVE WRITTEN STORIES ABOUT OUR SUCCESS. FULL DETAILS OF THESE CAN BE FOUND ON OUR BLOG OR ON OUR ANNUAL REPORT.

NEOFUSION PROJECTS

Project Sapne Huye Apne

Project Passion Hub

Project Samvaad

PROJECT PASSION HUB

In April 2020, NeoFusion launched the project 'Passion Hub- Taking mentors to villages through online classes' to bring about societal change. It is a medium through which help underprivileged adolescents pursue their passions. We have worked with 3000+ such students and hope to empower more.

Our goal is to provide these classes so that students can develop various skills to help them make a living out of their chosen fields. Our certified mentors take classes for multiple activities like Taekwondo and Self Defence, Painting and Sketching, Classical Singing, Freestyle Dance, Theatre, Kathak, English Communication, and Personality Development.

During the lockdown, when everything was closed off, Passion Hub came into many children's lives as a ray of hope. NeoFusion posts all the videos of classes on YouTube to help students with lacking resources develop their skills.

A sustainable change in an inclusive society cannot prosper on an unlevelled field of gender disparity. NeoFusion Creative Foundation's consistent work over the past two years aligning and accelerating the United Nation's Sustainable Development Goals, primarily Goal#5 – Gender Equality, has started to create ripples in the lives of its students. All students at NeoFusion, have engaged in open conversations on forbidden yet critically significant issues on menstruation, gender on the spectrum, and how gender shows up in their daily social lives. Self-awareness in the students was bolstered through a platform to express their voices, both through – theatre workshops and the launch of campaign #IWANATALK amidst the pandemic year.

Theatre allowed students to write the play, plan and express themselves. The process underscored grave social challenges faced amongst adolescents and youth, such as sexual abuse, identity loss, and navigating emotional disturbances. The campaign #IWANATALK live-streamed stories of the youth who needed to be heard, which was supported and appreciated across various social media platforms. As a result, we reached and impacted the lives of over 500 individuals, including parents, families, and friends of our students.

To concretize this initiative and make it accessible to other adolescents and youth, on the 2nd February 2021, The International Sexuality Education Day, we launched project Samvaad (dialogue). The project aims to create a safe space for adolescents and youth's socio-emotional well-being along with a comprehensive sexuality education pedagogy approach that allows students to relate with their reality and make active learning empowering them as change-makers. We have a specialized team of experts from various fields on our panel – Psychologists, Legal Advisors, Counsellors, and Art Mentors. A comprehensive module on sexuality education is developed. We also engage in educational awareness through our creative social media handles on Facebook/Instagram that have garnered great public responses, including – queries on supporting non-binary children, dealing with physiological and emotional disturbances during puberty, etc.

With Samvaad's unique educational model (SDG#4) at the helm, we will be making a direct contribution to the achievement of SDG#3 – Good Health and Wellbeing, thereby resulting in SDG#10 – Reduced Inequalities.

TESTIMONIALS

STUDENTS

"I started my journey with Passion Hub in July. It's only been three months, but it has completely changed my life. I initially took classes for singing and painting. I love singing, but However, I switched to Taekwondo since it suited my schedule better, and now taking mathematics and accounts tuition as well. I did not want to quit the classes altogether. I want to continue to be a part of these classes as it's vital for my self-growth and gives me ample opportunities, which was not possible earlier. It's like a guiding force; I even won the 2nd prize for writing a poem. It filled me with motivation; it made me feel my efforts will lead me someplace better. I want to become an Event Organizer, and I know passion Hub will guide me to the right places to achieve my goal. I'm so grateful I came across this beautiful journey."
