DIRECTOR'S NOTE

This year had started unlike any other, and we found ourselves amid a pandemic. We had expected it to subside in a few months, but it is still going strong. Just when the situation started to seem never-ending, The NeoFusion Creative Foundation had the bright idea to conduct online classes. Although it soon became the norm, The NeoFusion Creative Foundation was one of the first NGOs to start online classes. We started them in April 2020 via Zoom, and it became a life-changing point in our journey.

Since the incorporation of The NeoFusion Creative Foundation, we have had a summer camp every year. However, this year, everything was shut down. So we decided to go with the flow and started our first-ever online summer camps. It gained a lot of attraction from our students. Thus, we concluded to not limit it only to our Jaipur students. Instead, we took it to an all-India level. Many young interns joined and connected us to other NGOs. We contacted these NGOs, and most of them were thrilled to join our online summer camp. Hence, Project Passion Hub was born.

The primary mission of Passion Hub was to take the mentors to the rural areas through online means of communication. In 2020-21, 2035 students (1282 girls and 753 boys) across 18 states joined Passion Hub, and all of them thoroughly enjoyed it and had positive reviews. Many of our senior students enquired about Maths, Science and Commerce classes for class 11th. Since teachers for higher secondary education are unavailable in villages, we contacted teachers online, and they began conducting classes for the students.

During the peak of the Covid-19 outbreak, everyone was confined to their homes. We began receiving a few complaints regarding domestic violence and sexual abuse. This deeply troubled us, and we wanted to allow more brave souls to speak about similar issues. This prompted the creation of the 'I Wanna Talk' program. Over a few months, we conducted several webinars where adolescents could freely speak their hearts out. We invited many guest speakers who openly interacted with our students about sensitive issues. Quite a few parents also shared their thoughts and concerns. This led to the formation of Project Samvaad on Feb 2nd, 2021.

"Happiness can be found in the darkest of places, only if one remembers to turn on the light." This quote is a pretty precise summary of the past year. We faced many challenges and learned many new things. When everything seemed to shut down, the internet opened its arms for us, and we harnessed it to make this year fruitful for our students and us. We hope to continue making a difference in the lives of the adolescents in urban slums in the years to come.

EXECUTIVE SUMMARY

NEOFUSION CREATIVE FOUNDATION IS A NATIONALLY CERTIFIED NON-PROFIT ORGANISATION STARTED IN 2013, INCORPORATED UNDER SECTION 25A OF THE COMPANIES ACT, 1956, THAT WORKS TOWARDS THE EMPOWERMENT OF THE UNDERPRIVILEGED COMMUNITIES, ESPECIALLY ADOLESCENTS, SCHOOL DROPOUTS AND THE UNEMPLOYED YOUTH OF INDIA, EMPOWERING THEM TO LIVE THEIR DREAM OF BEING TRANSFORMED AND LEAD SUSTAINABLE LIVES BY ALIGNING THEIR PASSION AND CAREER CHOICES.

WE STRIVE TO TRANSFORM THE VULNERABLE PERIOD OF ADOLESCENCE, BY CREATING A SAFE ENVIRONMENT IN WHICH ADOLESCENTS ARE HEARD AND CELEBRATED, AND BY INVESTING IN ADOLESCENTS, WE ASPIRE TO CREATE AGENTS OF MULTI-GENERATIONAL CHANGE AND ECONOMIC IMPACT.

WE AT NEOFUSION STRONGLY BELIEVE IN CREATING A CHILD-SAFE PLACE IN ALL OUR PROGRAMS AND INTERVENTIONS. ON ACCOUNT OF THE FOUNDATION HAS FORMULATED ITS OWN CHILD SAFEGUARDING POLICY AND FOLLOWS IT KEEPING IN VIEW THE BEST INTEREST OF THE CHILDREN AND ADOLESCENTS.

WE ARE DIRECTLY CONTRIBUTING TO THE ACHIEVEMENTS OF SDG#3 – GOOD HEALTH & WELLBEING, RESULTING IN SDG#10 – REDUCED INEQUALITIES AND SDG#1 NO POVERTY, WITH THE FOUNDATION'S UNIQUE EDUCATIONAL APPROACH (SDG#4 – QUALITY EDUCATION) AT THE HELM.

THE NGO HAS TWO BRANCHES BOTH OF WHICH ARE LOCATED NEAR SLUMS. ONE BRANCH IS IN JAIPUR WHICH IS SITUATED NEAR THE SLUMS OF TRIVENI NAGAR AND THE OTHER BRANCH IS LOCATED IN GURUGRAM SITUATED NEAR THE SLUMS OF GHASOLA AND FAZILPUR VILLAGES.

THE LOCATIONS FOR BOTH THE BRANCHES WERE CHOSEN ACCORDING TO THE EASE OF ACCESSIBILITY FOR THE AIMED POPULATION I.E. SLUM ADOLESCENTS. THE SLUMS NEAR THE GURUGRAM INSTITUTE LIKE GHASOLA, BADHSAHPUR, AND FAZILPUR HAVE OVER 5,000 ADOLESCENTS LIVING IN THEM. SINCE ALL THESE SLUMS HAVE HIGH MIGRATION RATES DUE TO CONSTRUCTION JOBS, THEY ALSO HAVE HIGH RATES OF SCHOOL DROPOUTS AS A RESULT OF EXCESSIVE MIGRATION AND POVERTY SO AS TO HELP THEIR PARENTS. SO, TO MAKE SURE THESE CHILDREN COULD GET THE EDUCATION THEY DESERVE AND TO REDUCE THE NUMBER OF SCHOOL DROPOUTS IN SUCH AREAS BY ENROLLING THEM INTO SCHOOLS, NEOFUSION HAS CHOSEN SUCH LOCATIONS.

PROJECT PASSION HUB

In April 2020, NeoFusion launched the project 'Passion Hub- Taking mentors to villages through online classes' to bring about change in society. It is a medium through which help underprivileged adolescents pursue their passions. We have worked with 2035 such students and hope to empower them more.

Our goal is to provide these classes so that students can develop various skills to help them make a living out of their chosen fields. Our certified mentors take classes for multiple activities like Taekwondo and Self Defence, Painting and Sketching, Classical Singing, Freestyle Dance, Theatre, Kathak, English Communication, and Personality Development.

During the lockdown, when everything was closed off, Passion Hub came into many children's lives as a ray of hope. NeoFusion posts all the videos of classes on YouTube to help students with insufficient resources develop their skills.

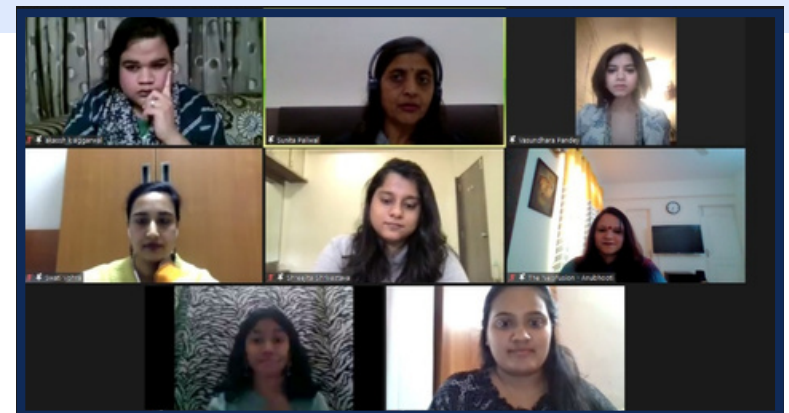

PROJECT SAMVAAD

A sustainable change in an inclusive society cannot prosper on an unlevelled field of gender disparity. NeoFusion Creative Foundation's consistent work over the past two years aligning and accelerating the United Nation's Sustainable Development Goals, primarily Goal#5 – Gender Equality, has started to create ripples in the lives of its students. All students at NeoFusion, have engaged in open conversations on forbidden yet critically significant issues on menstruation, gender on the spectrum, and how gender shows up in their daily social lives. Self-awareness in the students was bolstered through a platform to express their voices, both through – theatre workshops and the launch of campaign #IWANATALK amidst the pandemic year.

Theatre allowed students to write the play, plan and express themselves. The process underscored grave social challenges faced amongst adolescents and youth, such as sexual abuse, identity loss, and navigating emotional disturbances. The campaign #IWANATALK live-streamed stories of the youth who needed to be heard, which was supported and appreciated across various social media platforms. As a result, we reached and impacted the lives of over 500 individuals, including parents, families, and friends of our students.

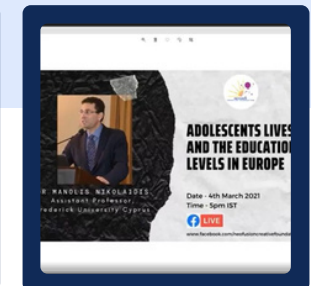

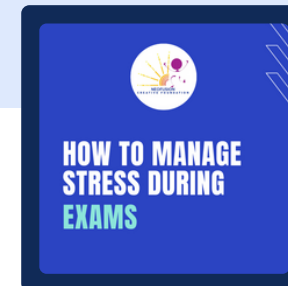

To concretize this initiative and make it accessible to other adolescents and youth, on the 2nd February 2021, The International Sexuality Education Day, we launched project Samvaad (dialogue). The project aims to create a safe space for adolescents and youth's socio-emotional well-being along with a comprehensive sexuality education pedagogy approach that allows students to relate with their reality and make active learning empowering them as change-makers. We have a specialized team of experts from various fields on our panel – Psychologists, Legal Advisors, Counsellors, and Art Mentors. A comprehensive module on sexuality education is developed. We also engage in educational awareness through our creative social media handles on Facebook/Instagram that have garnered great public responses, including – queries on supporting non-binary children, dealing with physiological and emotional disturbances during puberty, etc.

With Samvaad's unique educational model (SDG#4) at the helm, we will be making a direct contribution to the achievement of SDG#3 – Good Health and Wellbeing, thereby resulting in SDG#10 – Reduced Inequalities.

ANJALI KHATOON

"If you have a dream, don't just sit there. Gather courage to believe you can succeed and leave no stone unturned to make it a reality."

Anjali diligently put this in stock in her life from day one. It's a story of Anjali, who moved to Gurgaon from Bengal alongside her family a few years back. In 2010, due to an unfortunate accident, a 3-year-old Anjali was left with a severely injured leg. The doctors suggested a rod insertion costing Rs. 50,000, which was beyond affordable for her parents. 3-year-old Anjali and her family had to gather strength to work on her leg herself.

They were left heartbroken following this misery life had thrown their way. Her parents had to work to put food on the table leaving her elder brother of 2 years to step in for help.

She missed out on opportunities because of her injury and asked the same question to herself, over and over again- "Am I that weak?" When she first started our online classes at Passion Hub, she took up Kathak and Taekwondo. Though differently abled, she is a graceful dancer. Her parents, on the other hand, are incredibly proud of their daughter and support her in every way possible.

Anjali aspires to become a doctor one day and wishes to provide healthcare to the underprivileged community for free. She is determined to fight financial and other challenges and become a doctor.

She is an inspiration to many, including all of us at NeoFusion. We are proud of her and plan on helping her achieve her dreams!

SOURCE OF FUNDING

“NeoFusion Team has taken responsibility for spreading awareness about the NeoFusion cause by utilizing various methods such as sponsorships, donation boxes, crowdfunding, and direct donations to NEOFUSION Annual Report 2020-21 to gain financial aid. This year, a special thrust was given to Digital Marketing as the organization believes that in the coming years, Digital Technology will evolve into a major source of funding for Indian nonprofits.

- Sai Daan Foundation delivered grocery packets in these trying times.
- An IT firm provided us with laptops and blankets to combat the chilling weather.
- On September 25th, BNI Sparx Gurgaon gave our kids a flying start by providing them with 5 brand new and 2 functional second-hand phones so that students can attend online classes with ease.
- A consultancy firm provided us with tables, chairs and other furniture equipment.
- Supreme court Judge supported us in Laxman College admission
- Through social media, we were able to create funds for other student's college fees.
