DIRECTOR'S NOTE

I am writing this note with immense gratitude and a heart full of appreciation for your unwavering support of NeoFusion. Your generosity and commitment have played a pivotal role in the success of our efforts, allowing us to make significant strides in our mission to uplift and empower less privileged adolescents.

Your contribution during the devastating fire incident in the slum area was remarkable. Your immediate response and wholehearted assistance helped us provide essential relief and support to the affected families. During such challenging times, we truly realize the strength of our collective efforts.

Thanks to your incredible support, we launched a mid-day meal facility, providing much-needed nutrition to the underprivileged children we serve.

I am thrilled to share that our annual event, organized with your continued support, was a resounding success. The event garnered significant attention from the media, who embraced our cause and shared our story with open hearts.

I am delighted to let you know that 15 of our students passed their senior secondary education. Additionally, 19 young individuals secured employment in multinational corporations, a testament to their hard work and the guidance they received through our programs.

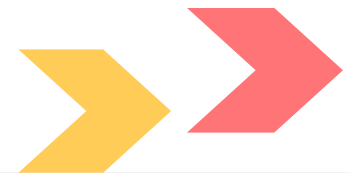

Moreover, we have taken a significant step forward by initiating skill development courses in information technology. This new endeavour will equip our students with valuable skills, empowering them to pursue rewarding careers in a rapidly evolving digital world.

None of these achievements would have been possible without our supporters' selfless support. On behalf of the NeoFusion team, I want to thank all our supporters. As we move forward and complete a decade this year, we remain committed to our mission and look forward to your continued support in creating a brighter future for the less privileged adolescents in our community.

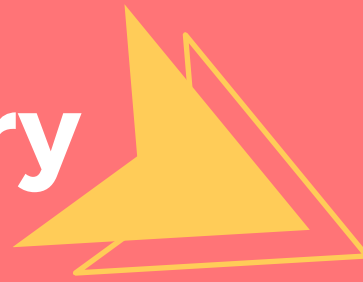

With heartfelt appreciation,

DR. ANUBHOOTI BHATNAGAR

FOUNDER DIRECTOR

Executive Summery

NEOFUSION CREATIVE FOUNDATION IS A NATIONALLY CERTIFIED NON-PROFIT ORGANISATION STARTED IN 2013, INCORPORATED UNDER SECTION 25A OF THE COMPANIES ACT, 1956, THAT WORKS TOWARDS THE EMPOWERMENT OF THE UNDERPRIVILEGED COMMUNITIES, ESPECIALLY ADOLESCENTS, SCHOOL DROPOUTS AND THE UNEMPLOYED YOUTH OF INDIA, EMPOWERING THEM TO LIVE THEIR DREAM OF BEING TRANSFORMED AND LEAD SUSTAINABLE LIVES BY ALIGNING THEIR PASSION AND CAREER CHOICES.

WE STRIVE TO TRANSFORM THE VULNERABLE PERIOD OF ADOLESCENCE BY CREATING A SAFE ENVIRONMENT IN WHICH ADOLESCENTS ARE HEARD AND CELEBRATED, AND BY INVESTING IN ADOLESCENTS, WE ASPIRE TO DEVELOP AGENTS OF MULTI-GENERATIONAL CHANGE AND ECONOMIC IMPACT.

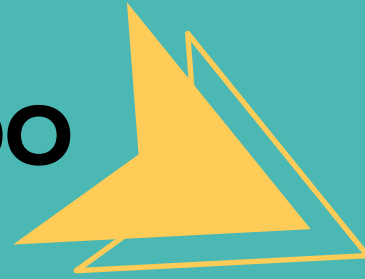

WE AT NEOFUSION STRONGLY BELIEVE IN CREATING A CHILD-SAFE PLACE IN ALL OUR PROGRAMS AND INTERVENTIONS. ACCOUNT OF THE FOUNDATION HAS FORMULATED ITS OWN CHILD SAFEGUARDING POLICY AND FOLLOWS IT, KEEPING IN VIEW THE BEST INTEREST OF THE CHILDREN AND ADOLESCENTS.

WE ARE DIRECTLY CONTRIBUTING TO THE ACHIEVEMENTS OF SDG#3 – GOOD HEALTH & WELLBEING, RESULTING IN SDG#10 – REDUCED INEQUALITIES AND SDG#1 NO POVERTY, WITH THE FOUNDATION’S UNIQUE EDUCATIONAL APPROACH (SDG#4 – QUALITY EDUCATION) AT THE HELM.

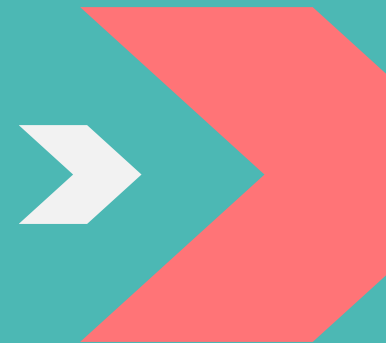

THE LOCATION FOR THE BRANCH WAS CHOSEN ACCORDING TO THE EASE OF ACCESSIBILITY FOR THE AIMED POPULATION, I.E. SLUM ADOLESCENTS. THE SLUMS NEAR THE GURUGRAM INSTITUTE, LIKE GHASOLA, BADHSAHPUR, AND FAZILPUR, HAVE OVER 5000 ADOLESCENTS LIVING IN THEM. SINCE ALL THESE SLUMS HAVE HIGH MIGRATION RATES DUE TO CONSTRUCTION JOBS, THEY ALSO HAVE HIGH RATES OF SCHOOL DROPOUTS AS A RESULT OF EXCESSIVE MIGRATION AND POVERTY TO HELP THEIR PARENTS. SO, TO MAKE SURE THESE ADOLESCENTS COULD GET THE EDUCATION THEY DESERVE AND TO REDUCE THE NUMBER OF SCHOOL DROPOUTS IN SUCH AREAS BY ENROLLING THEM ON SCHOOLS, NEOFUSION HAS CHOSEN SUCH LOCATIONS.

WE RELY ON WORD OF MOUTH AND MEDIA ADVERTISING. WE ASK OUR VOLUNTEERS, TEACHERS, INVESTORS, ETC., TO HELP SPREAD THE NEWS OF OUR CHARITY TO BUILD OUR NETWORK. FURTHERMORE, THE PUBLICITY WE HAVE GENERATED THROUGH. MEDIA COVERAGE HAS BEEN HIGHLY BENEFICIAL AS A FORM OF FREE MARKETING. VARIOUS HIGH-PROFILE INDIAN MEDIA OUTLETS HAVE WRITTEN STORIES ABOUT OUR SUCCESS.

COMMUNITY OUTREACH PROGRAM

This program aims to gain access to areas where adolescents require guidance. In cases where students or their parents are hesitant or unable to visit NeoFusion's premises, we take performing and visual arts classes and life skills and personality development classes to different Government Schools or other educational institutions.

PROGRAM FOR SCHOOL DROPOUTS

With our Programme for School Dropouts, NeoFusion aims to educate the underprivileged kids in our community. After years of on-the-ground work, we have come to the conclusion that the cause of school dropouts among teenagers from underprivileged neighbourhoods is social and economic poverty. The development of these underprivileged youth is impacted by a lack of a social support structure and an appropriate social and cultural environment.

EDUCATION

The team used the strength of this technique to draw teenagers to performing and visual art classes, gradually enrolling them in the programme where they restart education using an open school curriculum. Adolescents are eventually reintroduced to schooling by being encouraged to pursue formal education. From pre-primary to middle school, we use the NCERT curriculum. NeoFusion also adheres to the NIOS open schooling curriculum, reinitiating the educational process.

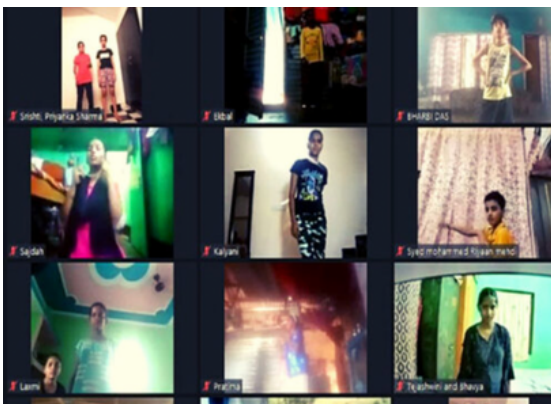

HEALTH AND NUTRITION

The Foundation places a high value on the health of its recipients and, as a result, works with the Fortis Healthcare Centre for Sight and specific medical practitioners to undertake annual health checks. Under this project, we work to give underprivileged adolescents proper medical care and nutrition. The teenage years are critical, and this is the period when children require the most nutritious food. We also make an effort to serve lunch to the children.

PERFORMING & VISUAL ARTS

In 2013, NeoFusion opened its first skill facility in Jaipur to advance the visual and performing arts. Later, we encouraged teenagers to finish high school once they felt secure and by engaging their interest and participation through various artistic mediums. Every student develops one or more academic skills while participating in plays, dances, etc.

ONLINE CLASS & MENTORING

In April 2020, NeoFusion launched this project, taking mentors to villages through online classes to change society. It is a medium through which to help underprivileged adolescents pursue their passions. We have worked with 3500+ such students and hope to empower more with dedication, vision and the help of our fantastic team of volunteers, members, patrons and donors who make all this effort happen.

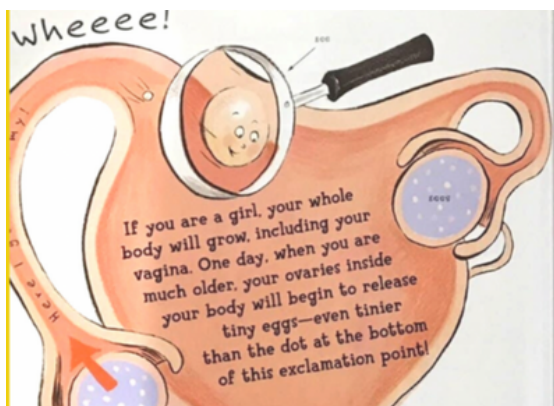

GUIDANCE COACHING & EMPLOYABILITY

The team has effectively counselled many dropouts, unemployed youngsters, and abused adolescents thanks to a well-designed programme, including the creative arts. The majority of adolescents from poor neighbourhoods come from very abusive environments. NeoFusion is adamant about providing therapy and value-based training to every child who joins. Students are encouraged to participate in various art projects, seminars with doctors, child psychologists, and career advisors, and training in life skills.

SKILL DEVELOPMENT

In NeoFusion works to provide every kid with the opportunity to learn information technology skills as well as performing and visual arts talents. We accomplish this while considering the critical relevance of skill development in adolescents starting at a young age. From performing and visual arts to computer education and information technology, we conduct programmes that support the total skill development of teenagers.

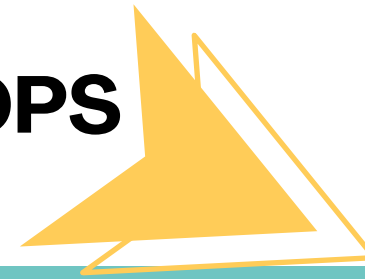

SEXUALITY EDUCATION & MENTAL HEALTH

On an uneven playing field of gender inequality, a sustainable change in an inclusive society cannot flourish. The constant efforts of the NeoFusion Creative Foundation over the past two years to align and advance the United Nations Sustainable Development Goals, particularly Goal#5 - Gender Equality, have begun to impact the lives of its students.

All NeoFusion students have had frank discussions about taboo but crucially essential topics, including menstruation, gender on the spectrum, and how gender manifests in their daily social life. Students' self-awareness was increased thanks to a platform for their voices to be heard through theatrical workshops and the start of the #IWANATALK campaign during the pandemic year.

TESTIMONIALS

STUDENTS

Before joining NeoFusion, I was an extremely shy and under confident kid but after joining NeoFusion I have made many friends and now am confident that I can talk to people. I have also learned many activities such as dancing and taekwondo.

- Sonali, Grade 9

I had no interest in studies but after joining NeoFusion and studying for one month, I have realised the importance of studies. I feel like I have come to NeoFusion and found my 2nd family. I learned many different skills such as taekwondo, and theatre things I never did before joining Neofusion, and I have enjoyed every single one of them. I never had any dream, but after joining NeoFusion, I have decided that after I pass 12th, I want to pursue Kathak.

- Pratima, Grade 11

MENTOR

I just realized, precisely three years before I started teaching theatre at The NeoFusion Creative Foundation. What I found interesting about NeoFusion is that it works for those underprivileged children who are neglected and vulnerable. They need support to grow equally in society. I have seen that NeoFusion is working hard to make a change in society. I feel at home at Neofusion; the children are so good; they eagerly wait for the theatre class; I have seen a lot of positive changes in them, they are more confident, focused and open, and now they have a better understanding of life.

I hope they continue to learn and grow with the same spirit—my best wishes to all the children, Dr Anubhooti Bhatnagar Ma'am and team NeoFusion.

- Pankaj Gupta, Mentor - Theatre

I am writing to express my heartfelt appreciation for NeoFusion Creative Foundation, a non-government organisation dedicated to providing education to underprivileged children in the slums of India. As a teacher at NeoFusion for the past year, I have witnessed the remarkable impact it has on these children's lives through its visionary initiatives.

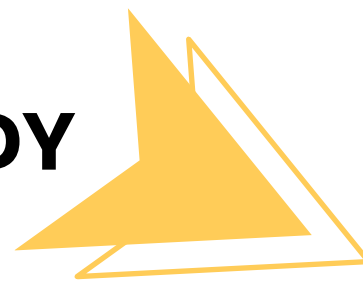

What sets NeoFusion apart is its unwavering commitment to inclusivity and compassion. The school's initiatives reach out to underprivileged children, empowering them to overcome obstacles and envision a brighter future. The nurturing environment at NeoFusion instills hope and a sense of belonging. Thank you, Dr Anubhuti Bhatnagar, for being a beacon of hope and opportunity.

With sincere appreciation,

-Smriti Pandey, Mentor - Science

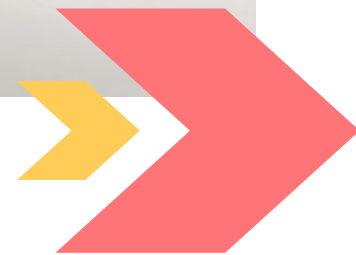

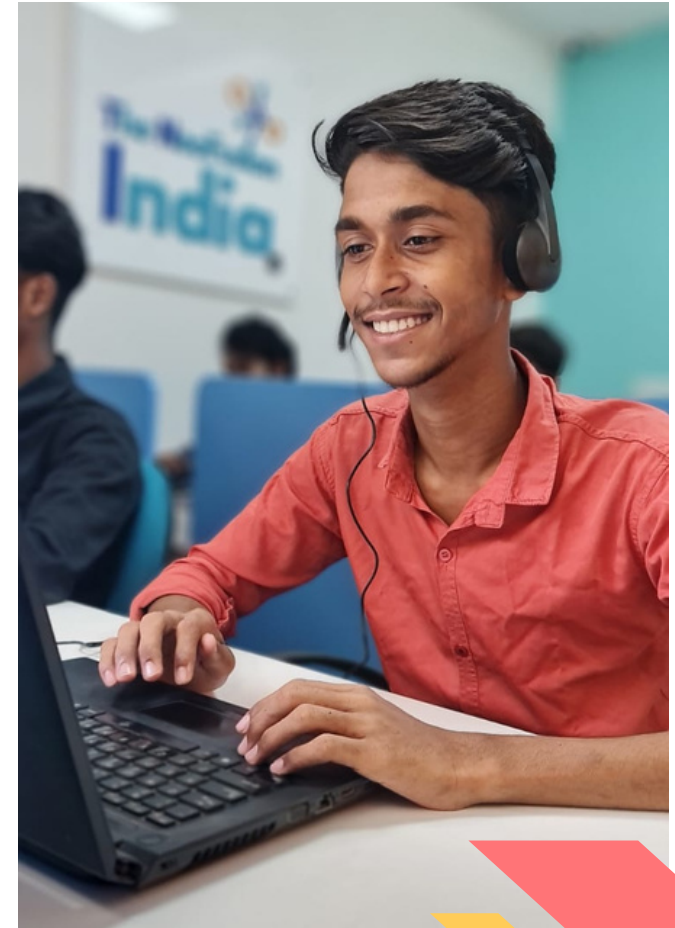

CASE STUDY

MD SAJJAD

MD Sajjad joined NeoFusion in the 6th after studying in a Hindi medium government school. His family is originally from Bihar; his father works as a painter, and his mother works as a domestic helper. They didn't have a high-income jobs, so he moved to Gurgaon for his studies. When he joined NeoFusion, he was frail in English as he had studied all his subjects in Hindi prior and was extremely scared to write exams in English. However, over time it got better, and he became confident in English. By the 10th grade, he would assist students, and during the COVID-19 lockdown, he would teach basics in Hindi and mathematics online. Today, he is a 2nd year BBA student working a TNI job aiming to pursue a master's degree and support his family and wishing Sajjid the best of luck for a bright future!
