DIRECTOR'S NOTE

I pen these words with a heart overflowing with gratitude for your unwavering support of NeoFusion. Your generosity and commitment have been the bedrock of our success, propelling us to uplift and empower less privileged adolescents.

This year marks a significant milestone as we celebrate our 10th anniversary. Without your steadfast support, this achievement would have remained a distant dream. Your contributions have driven our progress, enabling us to reach new heights with each passing year.

I am delighted to share some remarkable achievements with you. After two years of relentless effort, we have successfully revived our Jaipur Centre, reinstating our vital presence in the community.

Additionally, we have inaugurated a second Computer lab in Bijnor, where access to computers was once merely a dream for many students in rural areas. Now, thanks to your support, they have the opportunity to learn and excel in this essential skill.

Furthermore, our partnership with NIIT Foundation to offer skill development courses in CRM and Web design is a testament to our commitment to providing our students with valuable opportunities for growth and success.

Another significant milestone is our collaboration with Nai Disha NGO, which has enabled us to enhance computer literacy among our students, bridging the digital divide and opening doors to a brighter future.

Our events, including Jazbaa 2023 and the play "Shhh Chup," have garnered widespread acclaim and media coverage, leaving audiences speechless with their powerful messages.

Despite facing challenges, such as the unexpected rent increase in October 2023, your love and support have given us the strength to overcome adversity. Through your generosity and blessings, we negotiated a more manageable rent and received funding support from many quarters.

I am confident that with your unwavering support, we will continue to grow stronger and make an even more significant impact in the coming year. Together, we will support more students, empower more lives, and work tirelessly towards our shared mission of creating a brighter future for all. Warm Regards

Executive Summery

NEOFUSION CREATIVE FOUNDATION IS A NONPROFIT ORGANIZATION ESTABLISHED IN 2013 AND CERTIFIED NATIONALLY. WE OPERATE UNDER SECTION 25A OF THE COMPANIES ACT, 1956. OUR MISSION IS TO EMPOWER UNDERPRIVILEGED COMMUNITIES, FOCUSING ON INDIA'S ADOLESCENTS, SCHOOL DROPOUTS, AND UNEMPLOYED YOUTH. WE HELP THEM PURSUE THEIR DREAMS BY MATCHING THEIR PASSIONS WITH CAREER OPPORTUNITIES.

WE AIM TO CREATE A SUPPORTIVE ENVIRONMENT WHERE ADOLESCENTS FEEL VALUED AND HEARD. BY INVESTING IN THEM, WE STRIVE TO DEVELOP AGENTS OF CHANGE ACROSS GENERATIONS AND MAKE A POSITIVE ECONOMIC IMPACT.

CHILD SAFETY IS PARAMOUNT TO US AT NEOFUSION. WE HAVE DEVELOPED OUR OWN CHILD SAFEGUARDING POLICY TO ENSURE THE WELL-BEING OF CHILDREN AND ADOLESCENTS IN ALL OUR PROGRAMS AND INTERVENTIONS. WE PRIORITIZE THEIR BEST INTERESTS IN EVERYTHING WE DO.

WE ARE ACTIVELY CONTRIBUTING TO ACHIEVING SEVERAL SUSTAINABLE DEVELOPMENT GOALS (SDGS), INCLUDING SDG#3 FOR GOOD HEALTH & WELLBEING, WHICH LEADS TO SDG#10 FOR REDUCED INEQUALITIES AND SDG#1 FOR NO POVERTY. OUR FOUNDATION'S UNIQUE EDUCATIONAL APPROACH, ALIGNED WITH SDG#4 FOR QUALITY EDUCATION, IS CENTRAL TO THIS EFFORT.

OUR BRANCH LOCATION WAS CAREFULLY SELECTED TO ENSURE EASY ACCESS FOR THE TARGETED POPULATION: ADOLESCENTS LIVING IN SLUMS. AREAS LIKE GHASOLA, BADHSAHPUR, AND FAZILPUR NEAR THE GURUGRAM INSTITUTE WERE CHOSEN BECAUSE THEY ARE HOME TO OVER 5000 ADOLESCENTS. THESE SLUMS EXPERIENCE HIGH MIGRATION RATES DUE TO CONSTRUCTION JOBS, RESULTING IN MANY CHILDREN DROPPING OUT OF SCHOOL TO SUPPORT THEIR FAMILIES. BY ESTABLISHING OUR PRESENCE IN THESE AREAS, WE AIM TO PROVIDE DESERVING ADOLESCENTS WITH EDUCATION OPPORTUNITIES AND REDUCE THE NUMBER OF SCHOOL DROPOUTS.

WE PRIMARILY RELY ON WORD OF MOUTH AND MEDIA ADVERTISING TO SPREAD AWARENESS ABOUT OUR CHARITY. OUR VOLUNTEERS, TEACHERS, AND INVESTORS ARE CRUCIAL IN SHARING INFORMATION ABOUT OUR INITIATIVES AND EXPANDING OUR NETWORK. ADDITIONALLY, MEDIA COVERAGE HAS BEEN INSTRUMENTAL IN PROMOTING OUR CAUSE, WITH VARIOUS PROMINENT INDIAN MEDIA OUTLETS HIGHLIGHTING OUR SUCCESS STORIES.

COMMUNITY OUTREACH PROGRAM

This program aims to gain access to areas where adolescents require guidance. In cases where students or their parents are hesitant or unable to visit NeoFusion's premises, we take performing and visual arts classes and life skills and personality development classes to different Government Schools or other educational institutions.

PROGRAM FOR SCHOOL DROPOUTS

With our Programme for School Dropouts, NeoFusion aims to educate the underprivileged kids in our community. After years of on-the-ground work, we have come to the conclusion that the cause of school dropouts among teenagers from underprivileged neighbourhoods is social and economic poverty. The development of these underprivileged youth is impacted by a lack of a social support structure and an appropriate social and cultural environment.

EDUCATION

The team used the strength of this technique to draw teenagers to performing and visual art classes, gradually enrolling them in the programme where they restart education using an open school curriculum. Adolescents are eventually reintroduced to schooling by being encouraged to pursue formal education. From pre-primary to middle school, we use the NCERT curriculum. NeoFusion also adheres to the NIOS open schooling curriculum, reinitiating the educational process.

HEALTH AND NUTRITION

The Foundation places a high value on the health of its recipients and, as a result, works with the Fortis Healthcare Centre for Sight and specific medical practitioners to undertake annual health checks. Under this project, we work to give underprivileged adolescents proper medical care and nutrition. The teenage years are critical, and this is the period when children require the most nutritious food. We also make an effort to serve lunch to the children.

PERFORMING & VISUAL ARTS

In 2013, NeoFusion opened its first skill facility in Jaipur to advance the visual and performing arts. Later, we encouraged teenagers to finish high school once they felt secure and by engaging their interest and participation through various artistic mediums. Every student develops one or more academic skills while participating in plays, dances, etc.

ONLINE CLASS & MENTORING

In April 2020, NeoFusion launched this project, taking mentors to villages through online classes to change society. It is a medium through which to help underprivileged adolescents pursue their passions. We have worked with 3500+ such students and hope to empower more with dedication, vision and the help of our fantastic team of volunteers, members, patrons and donors who make all this effort happen.

GUIDANCE COACHING & EMPLOYABILITY

The team has effectively counselled many dropouts, unemployed youngsters, and abused adolescents thanks to a well-designed programme, including the creative arts. The majority of adolescents from poor neighbourhoods come from very abusive environments. NeoFusion is adamant about providing therapy and value-based training to every child who joins. Students are encouraged to participate in various art projects, seminars with doctors, child psychologists, and career advisors, and training in life skills.

SKILL DEVELOPMENT

In NeoFusion works to provide every kid with the opportunity to learn information technology skills as well as performing and visual arts talents. We accomplish this while considering the critical relevance of skill development in adolescents starting at a young age. From performing and visual arts to computer education and information technology, we conduct programmes that support the total skill development of teenagers.

SEXUALITY EDUCATION & MENTAL HEALTH

On an uneven playing field of gender inequality, a sustainable change in an inclusive society cannot flourish. The constant efforts of the NeoFusion Creative Foundation over the past two years to align and advance the United Nations Sustainable Development Goals, particularly Goal#5 - Gender Equality, have begun to impact the lives of its students.

All NeoFusion students have had frank discussions about taboo but crucially essential topics, including menstruation, gender on the spectrum, and how gender manifests in their daily social life. Students' self-awareness was increased thanks to a platform for their voices to be heard through theatrical workshops and the start of the #IWANATALK campaign during the pandemic year.

REVIVED JAIPUR

IN 2013, NEOFUSION EMBARKED ON ITS JOURNEY FROM JAIPUR. HOWEVER, COVID-19 MADE THINGS HARD IN 2021, AND WE HAD TO STOP OUR WORK THERE DUE TO FINANCIAL CONSTRAINTS. DESPITE THIS TEMPORARY SETBACK, WE ARE DELIGHTED TO ANNOUNCE THAT IN 2023, WE SUCCESSFULLY RESTARTED OUR JAIPUR CENTRE, EXPLICITLY CATERING TO EVENING CLASSES. WE ARE OPTIMISTIC ABOUT RESTORING IT TO ITS FORMER GLORY AND CONTINUING TO SERVE HUNDREDS OF STUDENTS IN JAIPUR, JUST AS WE DID BEFORE.
