DIRECTOR'S MESSAGE

DR. ANUBHOOTI
FOUNDER-DIRECTOR

As we celebrate NeoFusion Creative Foundation's 11th year, I reflect on the journey that has brought us here. This year was not just about milestones but about the unwavering faith and commitment of our team, students, and supporters. With immense pride, we launched the first issue of our magazine Sapne Huye Apne, a platform dedicated to amplifying the voices of our young dreamers.

Our partnerships grew stronger as we onboarded esteemed CSR partners such as Orinesis Partners, Procloze Pvt Ltd., Master Card, Indsao Infratech, and Leak Cure Pvt Ltd. Additionally, we signed an MOU with IMI New Delhi to collaborate on social impact programs, reinforcing our mission to create lasting change. Witnessing the growing faith in our work strengthens my resolve, and I genuinely believe that step by step, we are inching closer to realising NeoFusion's vision.

This year, at Jazbaa 2024, we challenged ourselves by choosing a thought-provoking theme for our theatre play—shedding light on the lives of the Kinnar community. Initially, we questioned whether we were on the right path, but on August 24th, after the performance of DUA, the overwhelming response from the audience reaffirmed our purpose. The demand for a second show led us to organise our first-ever ticketed performance, and subsequently, we were honoured to showcase DUA at Bijnor Mahotsava, Uttar Pradesh. Our students emerged as role models, and their confidence and talent left a lasting impression on everyone who witnessed their performance. Interacting with and interviewing the didis from the Kinnar community was a profoundly moving experience, broadening our understanding and strengthening our resolve to foster inclusivity.

On the academic front, we are incredibly proud of our students. Eleven of them completed their graduation and are excelling in their professional journeys. Our 7th batch of 10th graders and 5th batch of 12th graders cleared their board exams, marking another impactful year for NeoFusion. Looking ahead, we have ambitious plans under the mentorship of Lt. Col. Kamaljeet Singh Pabla Sir (Retd.), and we eagerly anticipate sharing updates on our new initiatives in the coming months.

NeoFusion stands as a testament to perseverance, passion, and the collective effort of all who believe in the power of transformation. I extend my heartfelt gratitude to everyone who has been part of our journey. Let us continue to create opportunities, break barriers, and empower lives.

STUDENTS

As a student who joined this NGO just a year ago, it is incredible how Neofusion not only transformed my own life, but I've witnessed firsthand the positive change they are driving in society.

The extracurricular activities have also been a highlight - from the arts and sports programs to the leadership workshops. I've been able to explore my interests, develop new talents, and build lifelong friendships.

MENTORS

At NeoFusion, I found more than just a workplace — I found purpose. Every child I teach reminds me why education matters beyond books. Here, we don't just prepare students for exams, we prepare them for life. The smiles, questions, and breakthroughs make every day special. I've seen dreams take shape, confidence bloom, and lives transform. Being a part of their journey has humbled and inspired me deeply. The team spirit and shared passion here are truly contagious. NeoFusion is a place where change isn't just discussed — it's lived. Teaching here isn't a job, it's a mission I'm proud to serve. This journey is not just theirs — it's mine too.

Mr Ayan Tandon
Faculty, NeoFusion School

NeoFusion has been my canvas of change. Here, I don't just teach painting—I help children paint their dreams. Every brushstroke tells a story of hope, healing, and hidden talent. Art becomes their voice when words fall short. From shy sketches to bold masterpieces, I've seen magic unfold. In these classrooms, colours aren't just colours—they are courage, joy, and freedom. Each child holds a world of imagination, waiting to be explored. NeoFusion gave me the chance to turn passion into purpose. To watch a child grow through art is the greatest reward. This isn't just a job—a journey of heart, colour, and soul.

CASE STUDY

GOVIND YADAV

Govind Yadav joined NeoFusion in 2014 as a bright-eyed student in Class 3. Over the years, he has grown not only in age and education—he is now pursuing his final year of BBA—but also in passion, skills, and purpose.

Initially drawn to dance, theatre, and painting, Govind gradually discovered a deep interest in visual storytelling through videography and photography. What began as a curiosity soon became a calling. He started by editing videos for NGO events using just his mobile phone.

Today, he is handling professional-level projects, creating content not only for NeoFusion but also for external clients.

SOURCE OF FUNDING

NeoFusion Team has taken responsibility for spreading awareness about the NeoFusion cause by utilising various methods such as sponsorships, donation boxes, crowdfunding, and direct donations to the NEOFUSION Annual Report 2024-25 to gain financial aid. मासूम बच्चों का निखार रही हैं जीवन

र किन्नी के जीवन में एक मोड़ ऐसा आता है जब वह अपनी राह बदलता है और एक नया उद्देश्य खोजता है। अनुभूति भटनागर के जीवन में यह मोड़ तब आया, जब एक बीमारी के कारण उन्हें अपने जीवन की दिशा को नया रूप देने का मौका मिला। सॉफ्टवेयर इंजीनियरिंग में कैरियर बनाने के बाद जब उन्होंने बच्चों की शिक्षा को प्राथमिकता दी, तो न सिर्फ अपनी जिंदगी का उद्देश्य पाया, बल्कि हजारों बच्चों के जीवन में परिवर्तन लाने की दिशा भी तय की।

शादी, बीमारी व समाज सेवा का जुगून

इंजीनियरिंग में कैरियर बनाने के बाद उन्होंने जखपुर में काम किया, लेकिन अचानक बीमार पड़ने के कारण उन्हें कई महीनों तक बिस्तर पर रहना पड़ा। इसी दौरान एक वित्तीय पड़ोस हुए उन्हें अहसास हुआ कि उनका असली उद्देश्य बच्चों के लिए कुछ करना है। वहीं से उनके सामाजिक कार्यों की शुरुआत हुई।

एक प्रेरणा देने वाली यात्रा

अनुभूति की यह यात्रा बेहद प्रेरणादायक रही है। जब उन्होंने जखपुर में एक सेंटर शुरू किया था, तो यह उनकी व्यक्तिगत कमाई से शुरू हुआ था। धीरे-धीरे यह फल लेकरीय हुई और सोशल मीडिया के जरिए और भी लोग इस नए काम में जुड़ने लगे।

साई बाबा के मंदिर से शुरुआत एक अनोखी कहानी

अनुभूति के जीवन में एक और दिलचस्प मोड़ आया जब पति के ट्रांसफर के बाद वह गुरुग्राम आई और यहां साई बाबा के मंदिर के पास भीड़ मांगने वाले बच्चों को देखा। उन्होंने मासूम किया कि ये बच्चे गरीबी के कारण पहाड़ से दूर हैं। इस स्थिति को बदलने के लिए उन्होंने सबसे पहले इन बच्चों को ड्राइंग सिखाना शुरू किया। धीरे-धीरे ये बच्चे न सिर्फ ड्राइंग में रुचि लेने लगे, बल्कि पहाड़ में भी उनका मन लगने लगा। उनकी इस पहल ने कई बच्चों का जीवन बदल दिया।

बच्चों के लिए किया बदलाव

उन्हे एनजीओ में बच्चों को पहाड़ के साथ ड्राइंग, म्यूजिक, आर्ट, कथक, और मार्शल आर्ट जैसी गतिविधियों में भी भाग लेने का मौका मिलाता है। उनका उद्देश्य बच्चों को सिर्फ पहाड़ तक सीमित न रखते हुए, उनके व्यक्तिगत के हर पहलू को निखारना है। उन्होंने अपनी संस्था में 19 साल तक के बच्चों को नामांकित किया है और जब तक वे आत्मनिर्भर नहीं हो जाते, उनकी मदद करती हैं। वह बच्चों के लिए एक शिक्षक, मार्गदर्शक और मां की तरह हैं। उनके निरासने हजारों बच्चों के जीवन में उजाला आया है और अब वह किन्नर समाज के बच्चों को शिक्षा से जोड़ने का प्रयास कर रही हैं।
